

# HONOR

"to esteem; show respect for"

**Freedom** = "the power to act, speak, or think as one wants without hindrance or restraint"

**Liberty** = "the state of being free within society from oppressive restriction imposed by authority on one's way of life, behavior or political views"

**Sacrifice** = "an act of giving up something of value for the sake of something else regarded as more important or worthy"

Freedom is not free

Freedom comes with a cost

We honor the men and women who have  
fought to provide and protect our country's freedom

We simply say  
Thank You

or sudden disaster at noon

diseases,  
disaster!

(v.7) You will not be harmed,  
though thousands fall all around you.
