

The still small voice or the Thunderous exclamation

Life is often filled with Noise, Hurry and Crowds

There is much superficiality in our culture and religion.

We need time for silence, solitude, prayer and mediation.

Matthew 14:13 “When Jesus got the news (of John the Baptist’s martyrdom) he slipped away by boat to an out-of-the-way place by Himself”

What is the essence of the life of Devotion?

To know Christ as your Lord and Savior!

To discover who you really are.

To grow in a personal relationship with Jesus.

To engage in a Journey to serve God and others.

Ezekiel 22: 30 “I searched for a man among them who should build up the wall and stand in the gap before me for the land, that I should not destroy it. But I found none.”

Listen...Listen...God’s still small voice is heard in the blessings of everyday events and in the character of the people with whom we interact daily.

Listen... listen...The Thunderous exclamation of God is heard in the Victories and the Losses that occasionally come to our lives...

I Peter 2:9 “you are the ones chosen by God, chosen for the high calling of priestly work, chosen to be a holy people, God’s instruments to do his work and speak out for him, to tell others of the night-and-day difference he made for you – from nothing to something, from rejected to accepted.”
